

COUNCIL CHAMBERS--CITY COUNCIL
CITY HALL--CITY OF LODI
Monday, June 5-1933

The City Council of the City of Lodi met at 8 o'clock P.M. on the date first above written, Councilmen Clark, Keagle, Spooner, Weihe and Steele present, none absent.

The minutes of the last meeting held May 15th, 1933 were read, approved as read and so endorsed by the Mayor.

No persons appearing, the order of Public Hearings was passed and the Council proceeded to hear communications and reports :

D. Dinubilo & Sons, Glaser Brothers and C.M. Abdallah Company each applied for licenses to distribute beer in the City to retailers for re-sale. On motion of Councilman Keagle, Spooner second, each was granted the privilege applied for.

General Petroleum Company applied for permission to install and operate an electric sign at the Northwest corner of School and Elm Streets. Permit granted.

Letters asking permission to submit proposals for the audit of the City's accounts were received from MoSachen & McIntyre, C.H. Iverson and L.O. Wisler. Ordered placed on file.

The Chief of Police and the City Poundmaster each filed his report for the month of May and the same were read and ordered to be handled in the usual manner.

The Clerk reported that A. Propper doing business under the name and style of "Lodi Bargain Store" had made an assignment to the "San Francisco Board of Trade" and that the latter desired the City to sign its claim for water and electricity furnished to the Board of Trade. The Clerk stated that he was loath to do so as the City would necessarily have to continue service after loosing a great portion of back bills and suggested that light and water service be cut off in accordance with ordinance.

It having been published in the newspapers that the City Council were considering the adoption of a building code, letters from the California State Chamber of Commerce were read suggesting delay in such action until the State Chamber's new California code would be available. The Clerk also stated that City Manager Hogan of Stockton had offered the service of that City's building inspector, if the Council desired such assistance.

A letter from Mr Robert M. Searls regarding the preparation of findings in the San Joaquin County case against East Bay Municipal Utility District was read at length.

William S. Reese submitted a proposal to remove all the palm trees and dead acacias on Central Avenue from Lodi Avenue to Poplar Street for the sum of \$368.00 or remove palms alone for \$320.00. No action taken as the expense on tree removal this year on account of frost damage had already exceeded the budgeted allowance.

Four building permits for structures to cost \$2,475.00 were ordered granted.

Mayor G. M. Steele reported orally on the meeting of the California Publicly Owned Utility Association held at San Francisco on May 19th, 1933.

Mr W. G. Hurtle was authorized to open and conduct the play-grounds in Municipal Park No. 1 for a period of two calendar months from June 15th to August 15th, 1933 at a cost of not to exceed \$550.00. Motion Councilman Weihe, Keagle second.
